Thank you for taking the time to learn more about this exciting new ministry to young women. It is our desire to disciple and help grow young ladies in the Lord and enable them to be well equipped to become the mighty Women of God they are destined to be.

The enemy has been and is strategically advancing on the youth of this generation. Removing the strongholds of the enemy off of our young ladies should not take years or a lifetime. We believe through our time together that we will destroy the tentacles of hell once in for all. We want to speak boldly the Word of God and see the powerful transformation that only Christ can provide and desires for each and every one of us. With that in mind, we are set out on a purpose to ensure that our young ladies are given every opportunity to learn God's plan and instruction for their lives.

This ministry program will enable these young ladies to come together in a small group setting while building stronger Christian relationships. It also enables an awesome opportunity to sit down with some very powerful and anointed women who have already been saved and delivered from strongholds that many of these young ladies are themselves facing today. Our prayer and goal is better prepare young ladies in such a way they are better equipped and more purposeful in their service and relationship with the Lord.

Maybe you have a daughter, granddaughter, or know of a young lady in this age range of 12-15 years old that would be interested in participating in this program. If so, please pass this information along to them.

We want to thank you for your continual prayers as the Lord enables each of us to further the Kingdom of God, especially in our young women!

General Information

What is the Young Real Women?

This is a 7-week ministry program to help mentor young ladies in the Lord.

Who is able to attend this ministry program?

This ministry program is open to all young ladies ages 12-15.

Why is this program under the REAL Women's ministry?

The Young Real Women is an extension of the REAL Women's ministry. It is the desire of the adult and elder women of the church to help mentor and support our young ladies growing in their walk with the Lord Jesus. *Titus 2:3-4*

What is the Vision for this ministry?

To mentor young ladies in their early years of development on how to live in this world, but not be a part of it. To teach and equip them how to live a transformed life and how to have a renewed mind that honors and obeys the Lord. *Romans chapter 12*

What is the mission of this ministry program?

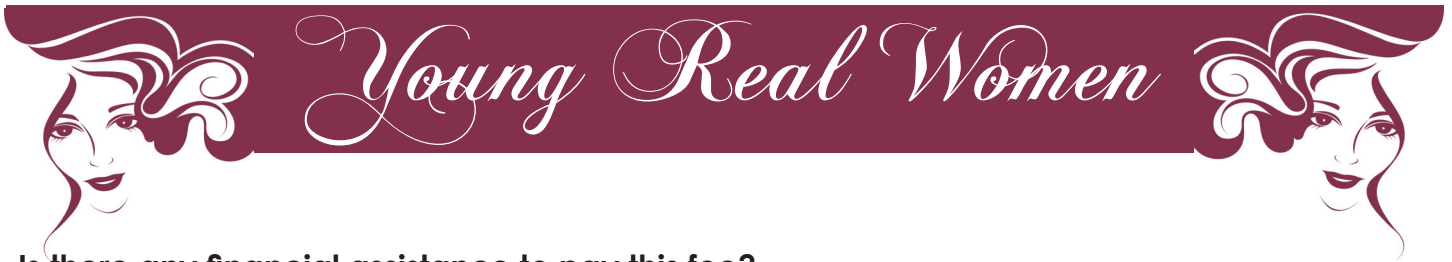

To provide a comfortable and fun setting with other young ladies while building stronger relationships. To provide encouragement while learning to grow in the Lord. To provide real answers in God's Word and Godly instructions without condemning and discouraging them. To provide love and acceptance and how to extend that same love throughout their lifetime of service to the Lord and to mankind.

How do I sign up my daughter for this program?

A parent/guardian must fill out the enclosed application for their daughter in order to attend this program. It is required for the parent/guardian to also attend the first meeting with their daughter and sign an Agreement & Release form at the conclusion of that 1st meeting. Due to the nature and content of some of the topics to be discussed, we want every parent/guardian to know and understand up front the conversations subject to be held during these meetings.

Is there a cost for this program?

Yes. There is a cost of \$25 for each young lady entered into the program. The funds go toward expenses incurred for the meetings. Also each young lady receives a Certificate of Completion and a trophy at the final meeting of the program. Any young ladies who do not finish the program forfeit their money and will have to enroll again at a later date at the expense of another \$25 fee in order to complete the program.

Is there any financial assistance to pay this fee?

We understand that not every young lady has the ability to financially afford this fee and, if needed, is encouraged to indicate on the application a request for sponsorship. All applicants wishing to receive sponsorship will be reviewed by the governing board and determined based on availability of funds. There will be an opportunity for the congregational body of New Image Church, the REAL Women's ministry and even businesses to help sponsor these young ladies and this ministry program.

Who are the leaders for this ministry program?

This ministry falls under the leadership of Beverly Holden and overseen by Pastor Kimberly Branch, who will be assigning and approving all mentoring leaders, teachers and guest speakers. This ministry program will be structured and taught by anointed and mature women in the faith who will speak boldly into the lives of these young ladies.

What will the meetings be like?

Each meeting will be unique and subject to include teaching, activities, and fellowship. Each meeting will be focused on a general theme topic. Topics will include inner & outer beauty, purity, healthy relationships, dating, modesty, health and fitness, and growing our faith in Jesus. The meetings will last approximately 1 to 1^{1/2} hours.
